My J-1 visa is sponsored by the Italy-America Chamber of Commerce (IACC). I am submitting my originally signed DS-2019 for travel validation in order to travel outside of the United States. I understand that upon reentry to the United States, I must have my passport, valid visa and originally signed DS-2019, signed for travel validation by the IACC Responsible Officer (RO) or an IACC Alternate Responsible Officer (ARO). I also understand that bringing all of my original application materials with me is recommended, to ensure my successful readmittance to the United States.

I understand that the travel validation signature is valid for one year from the date that it is signed.

I understand that as a J-1 visa holder, I am under U.S. jurisdiction and subject to the same travel restrictions as U.S. citizens.

I agree to alert the IACC of all international travel with advanced notice and acknowledge that failure to do so could have negative implications on my good standing with my sponsor.

**I am including a prepaid FedEx return envelope from the IACC to my U.S. mailing address.**

I request that you please return my validated DS-2019 to me at the following address:
